

Wisconsin Statewide VINE® Service (Victim Information & Notification Everyday)

VINE is a free, 24-hour telephone service that allows citizens to check on the status of offenders in custody of the Wisconsin County Jail System, and to register for automated notification when an offender is released or their custody status changes.

When using WI-VINE, by telephone or on-line at [www.vinelink.com](http://www.vinelink.com), you can quickly find out whether the offender is still in custody. You can also register to receive notification when the offender's custody status changes.

For offender information, call WI VINE toll-free at: 1-888-944-8463 or visit the website at [www.vinelink.com](http://www.vinelink.com)
